

Renate Cervinka

Renate Cervinka, PhD, Assistant Professor at the Medical University of Vienna. Renate Cervinka is specialized in environmental and health psychology. She is doing research, teaching & consultancy at the Medical University of Vienna, Centre of Public Health. Further, she lectures at the Faculty of Psychology/University of Vienna and at the Danube University/Krems. On behalf of the Austrian Ministry of Environment she collaborated in developing sustainability indicators for national reporting. Since the 18. IAPS conference in 2004, she is keen to discuss sustainability issues within IAPS. Together with P. Schmuck she published on environmental psychology and sustainability in the Encyclopedia of Psychology published by Hogrefe in 2010.
